

# UPS WorldShip™ 2009 Version 11.0

## Verify Your Data is Sent to UPS

To verify if your data is sent successfully to UPS:

Step	Window (if available)
<p>1. In the Shipment History window, select the End of Day process identified by date and time under UPS Pickups.</p>	 <p>The screenshot shows the UPS WorldShip application window. The menu bar includes File, Edit, Activities, Tools, UPS Web Access, Import/Export Data, Window, and Help. The toolbar contains icons for Packages, History, UPS.com, Track, Refresh, Setup to UPS, Report, Edit, Void, End of Day, Help, and Exit. The main area is titled 'Tracking No/Pkg Ticket Id:' and contains a search box and a tree view. The tree view is expanded to 'UPS Pickups', showing sub-items: 'Weekday's Pending Pickup', 'Saturday's Pending Pickup', '22-Sep-2008 - 2:45:07 PM' (which is selected), and 'Freight'. The status bar at the bottom right reads 'Ver: 11.0.8   Log has 1 dated shipment(s)'.</p>
<p>2. The status appears on the status bar in the lower right of the window.</p> <p>The message "Data Sent" appears on the status bar if the End of Day data was sent successfully.</p>	 <p>This screenshot is identical to the previous one, but the status bar at the bottom right now displays 'Ver: 11.0.8   Data Sent: 6 total shpmt(s) Pickup Rec: 0260206 00 4', indicating that the data has been successfully sent to UPS.</p>

## Verify Your Data is Sent to UPS

3. If the message **NOT SENT** appears in red next to the date and time or if the message Data Not Sent appears on the status bar, the End of Day process was not successful.

Resend your data to UPS.

**Note:** For more information, go to the WorldShip FAQs on the WorldShip.ups.com Web page, click WorldShip FAQs, scroll down and click Finish Shipping For The Day/End of Day Process, and click How do I resend End of Day/PLD information data to UPS?
