

UPS Tariff Zone Chart - Nigeria
Domestic Shipments
Effective from 2 January, 2012

How to determine the domestic zone of your UPS Shipment

- Locate the origin name (location where the shipment will be collected from) listed on the left hand side of the matrix.
- Locate the destination name (location where the shipment will be delivered to) listed on top of the matrix.
- Connect both locations. The number shown on the connecting point is the zone applicable for your shipment.

To determine the charge for your shipment, please refer to the domestic rate charts.

Note : Available domestic services include UPS Express Saver and UPS Standard. Valid UPS Express destinations have been marked with an asterisk (*).
Charges for destinations not shown, can be obtained on request. Please contact your local UPS office for details.
