

UPS Tariff Zone Chart

Domestic/EU and International Destinations

For customers located in the United Kingdom:

England, Scotland, Wales and Northern Ireland

Effective from 31 December 2007

Use these tables to ensure that your preferred UPS service option is available, and to identify the zone number for your shipment. Zones are used to calculate the cost of your shipment.

+ Extended area surcharge may apply for certain areas

To determine if a service option is available from your chosen origin postal code to your destination, visit the 'Calculate Time and Cost' tool on the United Kingdom home page at www.ups.com or call your local UPS office.

* Express Plus import services are only available for shipment to certain postal codes in the United Kingdom. For enquiries call UPS Call Centre at 08457 877 877.

† For full detail of service coverage to the USA and availability to your location, consult the Transit Time Section
