

UPS Tariff Zone Chart

Domestic/EU and International Destinations

For shippers located in the Republic of Ireland
Effective from 5 January 2009

Use these tables to ensure that your preferred UPS service option is available, and to identify the zone number for your shipment. Zones are used to calculate the cost of your shipment

✚ Extended area surcharge may apply for certain areas

To determine if a service option is available from your chosen origin postal code to your destination, visit the 'Calculate Time and Cost' tool on the Republic of Ireland home page at www.ups.com or call your local UPS office.

† For full detail of service coverage to the USA and availability to your location, consult the Transit Time Section
