Dear Valued Customer:

As previously communicated, letters were sent out regarding changes to the UPS policy concerning charges for Advanced Manifest data transmission. This letter contains updates on the mentioned discount for submitting electronically and who to contact.

As you are aware, UPS must transmit electronic MAWB and HAWB data to certain destination customs authorities in advance. UPS incurs additional costs to maintain compliance with these regulations. Companies submitting MAWB and HAWB (FWB/FHL) data electronically may be entitled to a discount of the Advanced Manifest Fee. If you would like to begin sending your MAWB and HAWB data electronically, please contact the UPS CMC at 800.535.2345 for specific details regarding the transmission process and a possible reduction in fees.

Effective January 7<sup>th</sup>, 2013, UPS assessed a \$15 Advanced Manifest Fee per each Master Air Waybill destined to or transiting through the following countries:

Australia	Canada	China	Europe
India	Japan	Korea	Malaysia
Mexico	Norway	Philippines	Singapore
Switzerland	Thailand		

This fee replaces any other fee currently being levied for Advanced Manifest data transmission.

As additional countries adopt similar customs requirements, UPS will be required to evaluate extending the Advanced Manifest Fee to those destinations when warranted.

Please contact your account manager with any questions or concerns you may have regarding this policy.

Thank you for choosing UPS Air Cargo!
