# UPS® eFulfillment Rate Card: Canada Exports

From the US UPS eFulfillment centers, you can ship to Canada using either Canada Exports 1-2 Day service or Canada Export Standard service. A simplified three-zone rate structure helps you easily find the service level and rate that works for you.

Canada Export Zones

		Pricing Zone		
		A	B	C
<b>Canada Export 1-2 Day</b> (Guaranteed service: same day fulfillment + 1-2 days for delivery)				
1 lb or greater	Base Rate	\$ 21.25	\$ 25.25	\$ 37.35
1-70 lbs.	Plus Rate/lb	\$ 1.70	\$ 1.70	\$ 2.65
<b>Canada Export Standard</b> (Non-guaranteed service: up to 1 day for fulfillment + 3-7 days for delivery)				
1 lb or greater	Base Rate	\$ 13.50	\$ 19.75	N/A
1-70 lbs.	or Plus Rate/lb	\$ 0.85	\$ 0.95	N/A

To calculate your bundled rate:

1. Identify the appropriate BASE RATE.
2. If the package is more than one pound, calculate the ADDITIONAL RATE PER POUND.
3. Add the two numbers together to calculate your TOTAL RATE.

Canada Export Standard service is not available to Yukon, Northwest Territory, and Nunavut (i.e. Zone C)

Rates are based on pricing zone, billable weight, and service level. Billable weight is based on the greater of the actual package weight or the dimensional weight. Dimensional weight is calculated in inches as (length x width x height)/166.

Rates include the following based on the first unit: parcel transportation, residential surcharge, fuel surcharge, warehouse receipt and put-away, warehouse pick, pack & ship, and supplies up to a 15 lb. shipment.

Canada Export 1-2 Day rates include routine, in-house, customs clearance by UPS Supply Chain Solutions.

Shipments to PO Boxes and APO/FPO addresses are not accepted

Additional Terms and Conditions apply. Full rate card is available via the eFulfillment portal which includes additional service fees and brokerage schedule.
