

UPS[®] Peak Surcharges

August 30, 2021

UPS continues to provide essential service amid the ongoing coronavirus outbreak to support the needs of our customers. Our goal is to ensure businesses and customers are able to meet their shipping needs while demand has increased for shipping services.

UPS Peak Surcharges

One or more Peak Surcharges will apply to packages shipped during the specified Peak Periods for the service levels and in the amounts set forth below. Peak Surcharges apply in addition to all other applicable charges.

Peak Surcharges are subject to change and Peak Periods may be extended or otherwise changed. Shippers should continue to check [ups.com/peaksurcharge/ca](https://www.ups.com/peaksurcharge/ca) for updates prior to tendering shipments.

All current Peak Surcharges will remain in place until the updated surcharges begin on October 3 and October 31.

A. Peak Surcharges

A Peak Surcharge will apply to Large Packages,¹ packages that are Over Maximum Limits,¹ and packages that require Additional Handling.¹ The Peak Surcharges set forth below will apply to all Canada domestic services, including UPS Trade Direct[®] Northbound, in the amounts set forth below during the specified Peak Period. Surcharges are in Canadian dollars.

Applicable Services	Peak Period: October 3, 2021 to January 15, 2022
Additional Handling	\$6 per package
Large Package	\$60 per package
Over Maximum Limits	\$450 per package

B. Peak Surcharge – Applied to UPS[®] Residential Packages

A Peak Surcharge will apply to UPS Residential¹ packages, for all Canada domestic services, including UPS Trade Direct[®] Northbound, for qualifying customers who at any point during the Peak Period, ship more than 5,000 packages per week.² The Peak Surcharge will apply in the amounts set forth below to the indicated service levels during the specified Peak Period. Surcharges are in Canadian dollars.

Service Levels	Peak Period: October 31, 2021 to January 15, 2022	
	110% to 199% of February 2020 volume ³	200+% of February 2020 volume ³
All Canada Domestic Services/UPS Trade Direct [®] Northbound	\$1.50 per package	\$2.75 per package

¹As described in the [UPS Canada Rate and Service Guide](#) and the [UPS Canada Terms and Conditions of Service](#).

²Applies to customers whose combined residential volume exceeds 5,000 packages per week during the Peak Period, regardless of the volume of customer's shipments for any particular service level. Once this threshold has been met, the Peak Surcharges apply for the remainder of the Peak Period to all Canada domestic services, including UPS Trade Direct[®] Northbound. Customer's volume includes any affiliated accounts and other accounts related to customer, as determined by UPS in its sole and unlimited discretion.

³Peak Surcharge applies to all packages in any weekly invoice period exceeding 110% of the customer's average weekly volume for the applicable service level for February 2020 (February 1 through February 29, 2020) as determined by UPS in its sole and unlimited discretion. For holiday weeks that are not full UPS operating weeks (including Christmas, and New Year's), the surcharge will apply to all packages in that weekly invoice period exceeding 110% of the customer's average daily volume for February 2020 (February 1 through February 29, 2020) multiplied by the number of full UPS operating days in that week, as determined by UPS in its sole and unlimited discretion. If average weekly volume levels drop below 5,000 average weekly packages, as determined by UPS in its sole and unlimited discretion, the Peak Surcharge will continue to apply to all packages exceeding 110% of the customer's average weekly volume for the applicable service level for February 2020 (February 1 through February 29, 2020). Customer's volume includes any affiliated accounts and other accounts related to customer, as determined by UPS in its sole and unlimited discretion.
