

# Export with UPS® Worldwide Economy

**An efficient, economical solution to take your e-commerce to new markets around the world.**

Our new contract-only international service, UPS Worldwide Economy, is ideal for your lightweight shipments, helping to keep your e-commerce transactions efficient and make exporting to new markets easier.

Countries/Territories

Weight

Avg. Delivery Days\*

DDP Economy	27	≤ 10 lbs / 4.5 kg	5 – 10
DDU Economy	1	≤ 4.4 lbs / 2kg	5 – 12

*\*Domestic transit times may vary upon location and service selected. UPS Worldwide Economy is not a day-definite guaranteed service.*

## Let UPS help you manage your business with these benefits:

- One service for both Delivered Duty Paid (DDP) and Delivered Duty Unpaid (DDU)
- Tracking milestones offered through ups.com
- One UPS driver for small package pick-ups
- May contribute to incentive revenue tiers
- Simplified customs clearance

## Deliver Worldwide

Our new service is available for shipments from Canada to the top e-commerce markets around the world.
