

UPS[®] Economy Capacity Surcharges

UPS Economy DDP (Delivery Duty Paid)

Due to recent market developments amid the ongoing coronavirus outbreak, a dynamic capacity surcharge applies to UPS Economy DDP shipments from the export site in the UK to the destinations listed below, from the specified effective dates until further notice.

The capacity surcharge applies from the moment of the parcel scan at the UPS Economy export site. It will be applied as a rate per kilo, based on the billable weight of the shipment.

The capacity surcharges listed below will be added to your current net rate for applicable UPS Economy shipments and included in the transportation rate for purposes of calculating the fuel surcharge. It will appear as part of the transportation rate on your UPS invoice, rather than as a separate line item.

Capacity surcharges apply in addition to all other applicable charges. No waiver, discount, or reduction of any type to the capacity surcharges shall apply. Capacity surcharges are subject to change without notice. Customers are strongly advised to check the latest surcharge information in the PDF document called "UPS Economy - Capacity Surcharges" posted on the UPS Economy page prior to tendering UPS Economy shipments.

Export Site	Destination	Capacity Surcharge	Effective Date
		(PLN per kilo)	
London	United States	17.70 zł	Oct 21st, 2020 until further notice

UPS Economy DDU (Delivery Duty Unpaid)

Due to recent market developments amid the ongoing coronavirus outbreak, a dynamic capacity surcharge will apply to UPS Economy DDU shipments from the export site in the UK to the destinations listed below, from the specified effective dates until further notice.

The UPS Economy DDU service will be limited to the destinations listed below from 10 May 2020 until further notice. Any UPS Economy DDU parcels received by UPS to any destinations not listed below will be consolidated and returned to sender using UPS Standard service, charged to the shipper's UPS account number. Shippers will be responsible for all charges associated with return shipments.

The capacity surcharge applies from the moment of the parcel scan at the UPS Economy export site. It will be applied as a rate per kilo, based on the actual weight of the shipment.

The capacity surcharges will be added to your current net rate for applicable UPS Economy shipments. These surcharges will be included in the transportation rate on your UPS invoice, rather than as a separate line item on the invoice. Capacity surcharges apply in addition to all other applicable charges. No waiver, discount, or reduction of any type to the capacity surcharges shall apply.

Customers are strongly advised to check the latest surcharge information in the PDF document called "UPS Economy - Capacity Surcharges" posted on the UPS Economy page prior to tendering UPS Economy shipments.
