

UPS MY CHOICE® SERVICE TERMS

(1) Governing Terms. These Terms of Service (“Terms”) govern your use of UPS My Choice® services (the “Service”). Except as modified by these Terms, the country-specific document(s) describing UPS services for small package shipments and freight movements available from that country, terms and conditions for such services and fees for such services (the “[UPS Terms and Conditions](#)”) including the applicable UPS Rate and Service Guide (the “[UPS Guide](#)”) and the description of the Service available at ups.com/mychoice in effect at the time of service (all of which are subject to change without notice) shall govern the Service. You expressly acknowledge having reviewed, understood and agreed to the UPS Terms and Conditions and the UPS Guide and accept their application. The versions of the UPS Terms and Conditions and the UPS Guide applicable at the time of use of the Service shall always be controlling terms and are expressly incorporated here by this reference. They are published at ups.com for each country of service and are available via the links above. In the case of a conflict between the terms of the UPS Terms and Conditions or the UPS Guide and these Terms, these Terms shall control as to the Service. UPS may engage sub-contractors (for example other transportation carriers authorized by UPS) to perform services and contracts both on its own behalf and on behalf of its servants, agents and subcontractors each of whom shall have the benefit of these Terms.

By using the Service, you agree to these Terms.

(2) Shipper Authorization. By using the Service for a package, you represent and warrant that you are authorized by the shipper to alter the shipper’s delivery instructions, including to redirect the delivery of a package to an alternate address, to authorize release of a package, to delay delivery, to change a service or service level selected by the shipper, or to reschedule delivery, and to receive advance notification and delivery information regarding a package.

(3) Household Member and Leave with Neighbor Authorization. A Household Member is a person who resides at the same address as you and has the same surname as you and is related to you or is married to you. Where available, you may be permitted to add a Household Member residing at the primary residence associated with your UPS My Choice® delivery address to your UPS My Choice® Membership. By using the Service for a package, you represent and warrant that you are authorized by the Household Members associated with your Membership to complete activities relating to their shipments, including viewing progress of shipments, setting delivery alerts and specifying delivery instructions. You agree that you are obligated to obtain consent from any Household Members before you add them to your UPS My Choice® Membership and thereby share their name and address with UPS. Where you select the “Leave with Neighbor” option for a package, the following provisions apply: You agree that you are obliged to obtain consent from any neighbor before you share their name, address, email address and/or phone number (as applicable) with UPS and allow UPS to communicate with such neighbor, and you represent and warrant that you are authorized by the neighbor to share such details.

(4) Fees and Charges. You agree to pay any applicable fees and charges associated with the Service, which may include transactional fees per package or pursuant to your UPS My Choice® Preferences for certain Services, including, without limitation, “Deliver My Package on Another Day,” “Deliver My Package to Another Address,” and, where available, “Redeliver to My Address,” “Make Three Delivery Attempts to My Address,” and such other Services as UPS may, in its sole and unlimited discretion, make available. If any Services are requested and require a transfer or delivery of the package beyond the original delivery area for the original consignee address (the delivery address

originally specified by the shipper), additional transportation charges will also apply. The transportation charges (if any) will be calculated at the applicable rate between the original receiver address and the new rerouted address, in an amount indicated in connection with the request. If you request a delivery method at a service level higher than the service level selected by the shipper (for example, shipper selects UPS Ground service and you request UPS Air Service), additional transportation charges for the upgraded service level will apply in an amount indicated in connection with your request. Applicable Service fees and charges are set forth at [[UPS Guide](#)].

UPS may change the fees and charges for the Service at any time without prior notice. Additional fees and charges will not be assessed for packages for which UPS is unable to provide the requested Service. If you wish to select Services that involve additional fees and charges, you may set up a credit card number or other payment method in your UPS My Choice® My Settings. You authorize UPS to automatically charge the payment card or other payment method selected in your UPS My Choice® My Settings for all applicable charges and fees, and to continue to charge such amounts to that payment method, when incurred, until you revoke your authorization. You may change the payment method or revoke your authorization by visiting the UPS My Choice® My Settings tab and changing your preferences. It may take UPS up to 10 calendar days to process any change to or revocation of your payment authorization.

(5) Delivery to a UPS Access Point™ Location. A UPS Access Point location is an independently owned and operated business designated by UPS where a consignee or other recipient may, where available, receive a package delivery. Packages that may be received for delivery at a UPS Access Point location are subject to restrictions, including, without limitation, in regard to weight and size and actual and declared value as set forth at [[Guide to UPS Access Point™ locations](#)]. Before releasing any shipment at a UPS Access Point location to you or another authorized recipient, you or the authorized recipient may be required to produce sufficient verification of the name, address, authorization to receive the shipment, and any other information UPS deems necessary to accept or release the shipment in its sole discretion, including, without limitation, provision of government-issued identification. Notwithstanding the foregoing, your use of a UPS Access Point location is at your own risk. Any liability of UPS for lost, damaged or delayed packages to a UPS Access Point location is subject to the limitations set forth herein and in the applicable UPS Terms and Conditions. For requests to hold for pickup at a UPS Access Point location, packages will be held for ten (10) days, except in the United States, Canada, Mexico, and Puerto Rico, where they will be held for seven (7) days, before they are returned to the sender (transportation charges will be assessed to the shipper if returned to the shipper).

(6) Data Use. To apply for your UPS My Choice® Membership, you may be required to submit to UPS or its service provider certain personal information, solely for purposes of authenticating your identity. By applying, you consent to the collection and use of your personal information for this purpose.

You agree that UPS and other companies in the UPS group of companies worldwide, including companies in countries which may not have the same level of data protection as the country where the shipment is presented to UPS for carriage, may use any data provided by you for the purposes set forth in, and subject to, the UPS Privacy Notice published on UPS's website at [[UPS Privacy Notice](#)] (hereby incorporated by reference into these Terms). You may have certain rights (exercisable by contacting UPS) under the law to have access to, rectify, object to the use for direct marketing of, or delete personal data held by UPS.

(7) UPS My Choice® Membership. Features of UPS My Choice® Membership available to you may vary based on the location of your residence, your method of enrollment, information provided by

you, and your agreement to terms and conditions. As a result, UPS may provide limited access to some Services (for example, you may be limited to receipt of package delivery alerts by email). You may be required to provide sufficient verification of identity before you are able to access your UPS My Choice® Membership or certain UPS My Choice® Services (for example, reroute to another address).

You may terminate your UPS My Choice® Membership or stop using the Service at any time by terminating your membership in the UPS My Choice® My Settings section.

- (8) Liability Limitations.** Some jurisdictions do not allow the exclusion or limitation of certain types of liabilities and damages, so the following limitations and exclusions may not apply to you. To the maximum extent permitted by law, UPS shall not be liable for any loss, claim, liability, or damage of any kind, including but not limited to direct, indirect, consequential, special or exemplary damages, whether based on contract or otherwise (“Loss”) arising out of, or resulting from, UPS’s provision of, or failure to provide, the Service, including by following consignee instructions, failure to follow consignee instructions, delivery pursuant or contrary to consignee’s instructions, misdelivery, or delayed delivery. UPS’s liability in relation to the Service, including liability for loss or damage to a package, or delayed delivery shall be limited pursuant to the UPS Terms and Conditions. The UPS Service Guarantee does not apply to packages subject to the Service, including without limitation a change in service level. All claims for loss or damage or delay shall be notified to UPS in accordance with the UPS Terms and Conditions and the UPS Guide by the original shipper.

By selecting the Authorized Shipment Release service, you authorize UPS to release packages addressed to you at your address when no one is present to receive the delivery. UPS will only make one delivery attempt and will not obtain a signature upon delivery. A UPS delivery record constitutes conclusive proof of delivery and, by selecting the Authorized Shipment Release service, you will be asked and are required to accept responsibility for any loss or damage to the package after it has been released at the address. UPS retains sole and unlimited discretion to honor your Authorized Shipment Release request (and may not do so, for example, due to delivery conditions such as adverse weather or safety). Authorized Shipment Release is not available if the shipper has specified that an adult signature is required for your package.

In no event shall UPS be liable for any Loss, including but not limited to loss, theft, alteration of, unauthorized access to, or acquisition of, your personal information, or other security breach, compromise, or incident involving your personal information, whether by third parties or otherwise, arising out of or resulting from misuse or impairment of the security of the personal information (including but not limited to security access codes or vacation information) that you provide to UPS to allow it to render the Services to you.

- (9) Indemnity.** You agree to indemnify, defend, and hold harmless the shipper and UPS, its parent corporation, and affiliated companies, their officers, directors, employees, agents, and their successors and assigns, from all claims, demands, expenses, liabilities, causes of action, enforcement procedures, and suits of any kind or nature arising from or relating to your use of the Service and the UPS My Choice® Preferences you select, including, for example (but without any limitation whatsoever) with regard to your alteration of the shipper’s instructions and Household Member or Leave with Neighbor shipments (or by associating Household Members with your UPS My Choice® Membership), your noncompliance with governmental laws or regulations or UPS’s requirements applicable to the Service, or your failure to comply with these Terms.

- (10) Modification; Termination.** UPS may, at any time, in its sole and absolute discretion and without prior notice, (a) modify, suspend and/or discontinue all or part of the Service without liability to you

or any third party, (b) charge, waive, reduce and/or otherwise modify any fees required to use the Service, and/or (c) offer opportunities to some or all Service users. If UPS waives, reduces and/or otherwise modifies any fees required to use any Service(s), you are not entitled to any rebate, refund and/or other reimbursement in whole or in part as a result of any such waiver, reduction and/or modification. UPS reserves the right to refuse to attempt to provide the Service if it determines in its sole discretion that doing so would pose a risk to UPS, its employees, its operations or any third party.
