

NOW THERE'S A SMARTER WAY TO INSURE ALL YOUR CARGO. STAND BEHIND THE SHIELD.

Protect your business from transportation risks associated with your supply chain and devote resources to exceeding your customers' expectations. InsureShield™ Connect is a new and exciting way to help ensure the safety of your goods, no matter how or where you ship them. It's new generation cargo insurance where peace of mind comes with improved efficiency and greater control of your finances.

AUTOMATED PROCESSES

Digital tools designed to automate and simplify all your cargo insurance to improve connectivity, eliminate manual work and speed up claims.

PAY AS YOU GO

A new transactional model that helps you stay on top of your cash flow. With no upfront costs or deposits, you only pay for what you need.

MULTIMODAL, MULTI-CARRIER COVERAGE

Ship your way. Whoever you ship with, whether you go ground, air or ocean, and whether it's one package or all your shipments, don't stress, because you're covered.

GREATER CONTROL

Flexible cover customised to your business needs. You decide what shipments to cover, giving you ultimate control over what is insured.

SUPPLY CHAIN EXPERTISE

Professional insurance specialists focusing on cargo insurance with efficient in-house claims processing and in-depth supply chain expertise.
