

Fuel Surcharge

UPS Mail Innovations uses an index-based surcharge that is adjusted monthly. Changes to the surcharge will be effective the first Monday of each month and posted approximately two weeks prior to the effective date. For your billing convenience, we will also post a 90-day surcharge history. The surcharge will be based on the National U.S. Average On Highway Diesel Fuel Prices reported by the U.S. Department of Energy for the month that is two months prior to the adjustment. For example the surcharge for March 2009 is based on the January 2009 National U.S. Average On Highway Diesel Fuel Price. The following table illustrates the surcharge:
