

# HOW UPS ACCESS POINTS WORK.

## YOU PLACE ORDER

Choose your delivery location as a UPS Access Point™ at the time of ordering your goods.

1

2

## ORDER SHIPPED TO UPS ACCESS POINT

UPS handles delivery from supplier to elected UPS Access Point.

## UPS NOTIFIES YOU THAT YOUR PARCEL ARRIVED

Notification sent and your parcel awaits to be collected at a time convenient to you.

3

4

## YOU COLLECT

Provide proof of identity to collect your parcel.

## EASY RETURNS

If necessary to return an item, you may drop a labelled pre-paid UPS Return parcel into any UPS Access Point.
