| **Non-Resident Importer (NRI)** | - Applicable when shipping to Canada via Air or Ground shipments.  
- A Non-Resident Importer is a shipper in the U.S. who acts as the importer of record to the Canadian government.  
- An NRI account allows you to pay the duties, taxes and brokerage charges for shipments to Canada, simplifying the experience for your consignee.  
- Shipper files the Power of Attorney (clearance authorization) with UPS for clearance of goods in Canada and is responsible for the payment of all Canadian duties, taxes and brokerage fees.  
- UPS will automatically charge all Canadian duties, taxes and brokerage fees to the shipper’s NRI brokerage account.  
- Consignee is not involved in the customs clearance process.  
- Shipper undertakes all importing responsibilities as required by Canadian law.  
- Shipper must maintain records on all importation into Canada for a period of time prescribed by the Canadian government (for U.S. NRI account holders, that period is six years).  
- NRI option can be utilized on air or ground shipments.  
- Contact your UPS representative if you would like to set up an NRI account. | No charge |
| **UPS On-Call Pickup®** | - With one pickup request, UPS will pick up all of your packages – Air, International and Ground Services at your office or home.  
- Schedule a same-day or future-day pickup via ups.com® or by calling 1-800-PICK-UPS®.  
- At ups.com, send an e-mail confirmation of your pickup request to multiple addresses, modify your pickup request, or cancel the request.  
- Fees are applied per pickup request regardless of the number of packages being picked up. | Package

| UPS Authorized Return Service® | - UPS preprints these return labels and provides to you for distribution.  
- You may include these return labels within an outbound shipment or distribute the label separately.  
- For domestic return shipments only. | Contractual service |
| Electronic Return Label | - UPS e-mails the return label upon your request to your customer, who then prints the label and applies it to the package. | $1.00 per label |
| Print and Mail Return Label | - UPS prints the return label upon your request and sends it to your customer, via First-Class Mail®, who then applies the label to the package. | $2.25 per label |
| Print Return Label | - You print the return label and include it in an outbound shipment or distribute separately to your customer, who then applies the label to the package. | $0.50 per label |
| **PREMIUM RETURNS SOLUTIONS** | | |
| 1 UPS Pickup Attempt Label | - UPS delivers a return shipping label to your customer and collects the item for return. If the package cannot be picked up on the first attempt, UPS will leave the return label at the pickup location. | $5.65 per label |
| 3 UPS Pickup Attempts Label | - UPS delivers a return shipping label to your customer and collects the item for return. If the package cannot be picked up on the first attempt, UPS will only make two more pickup attempts over the next two business days. | $7.70 per label |
| UPS Returns® Exchange | - UPS delivers a replacement item and picks up a like item for return during the same visit.  
- The new item is unpacked by the driver and customer, then using the delivery packaging, the old item is repacked for return to the shipper.  
- Replacement item won’t be delivered until consignee provides the item for return to the driver.  
- Voice, text and e-mail notifications are available to notify your customer of the upcoming exchange.  
- The outbound and return package tracking numbers are linked for round-trip visibility. | Contractual service  
$15.00 (or local equivalent) per exchange |
| **CUSTOM RETURNS SOLUTIONS** | | |
| Customized Returns | - UPS can customize existing returns capabilities to address a customer’s specific returns needs. | Contractual service |
| UPS Mail Innovations® Returns* | - Return packages through the United States Postal Service®.  
- Features include easy-to-use label, thousands of drop off locations and detailed tracking through ups.com®. | Contractual service |
| Returns and The UPS Store® | - The UPS Store provides product return and exchange programs that can be tailored to large customer returns needs, and that leverages The UPS Store retail network of nearly 4,400 locations to improve your client’s returns experience. | Contractual service |

### GENERAL INFORMATION REGARDING UPS RETURNS SERVICES

- Return packages must be UPS-compatible, conforming to UPS packaging guidelines and fall within UPS size and weight limits.
- Shipments containing certain items including, but not limited to, Hazardous Materials or Dangerous Goods requiring shipping papers are not allowed in UPS Returns Services.
- Transportation charges for return packages are billed after the package enters the UPS system.
- UPS Returns Print and Mail Label, 1 UPS Pickup Attempt Label, 3 UPS Pickup Attempts Label and UPS Returns Exchange accessorial fees are billed at the time of request.
- UPS Automated Shipping Systems will allow you to produce a commercial invoice along with the label for international returns shipments.
- UPS Returns Services facilitate the pickup of return shipments and their delivery in over 145 countries and territories. Specific details may vary by country.
- The exporter will be responsible for meeting export/import documentation requirements, regardless of who processes a shipment.
- Regulations and requirements for documentation for individual commodities vary from country to country. See Export and Import rules on ups.com for country-specific rules.
- Refer to the “UPS Tariff/Terms and Conditions of Service – United States” for limits on actual and declared value for UPS Returns Services shipments.
- UPS provides third-country returns (where the international shipment is to be returned to a country other than the exporter’s or processing party’s country) only as a contractual service.
